Important information about this form:

- Use this form to make a direct or indirect rollover from an old ABLE account into a new Maryland ABLE account. The assets will be allocated based on your investment selection for the Maryland ABLE account.

- For direct rollovers, you must have the old ABLE account information available. The funds must be sent directly by the old ABLE Program Manager within 60 days of opening your new Maryland ABLE account. The old ABLE Program Manager might also require a Medallion Signature Guarantee in Step 6.

- For indirect rollovers, you must close the old ABLE account and deposit the full amount you want to rollover into a new Maryland ABLE account within 60 days of the withdrawal from the old account.

- For all rollovers, unless the old ABLE account is closed within 60 days of the rollover withdrawal from such account, the new ABLE account will not be considered a qualified ABLE account for tax purposes and the assets in such account will not be disregarded for purposes of eligibility for federal and/or state means-tested benefits programs.

- If you need to open an account, sign up online at www.MarylandABLE.org or use an Enrollment Form before completing this form.

- An eligible Beneficiary can only have one ABLE account open at any time, except for the 60-day grace period for closing an ABLE account following a rollover to a new ABLE account.

- If there is an Authorized Legal Representative (ALR) on the old ABLE account, they must be the same on the new account. If you would like to change the ALR, please do so on the old ABLE account before completing this form.

- The Beneficiary of the new Maryland ABLE account must remain the same as the beneficiary of the old ABLE account or be an eligible “Member of the Family” (brother, sister, stepbrother, stepsister) of the beneficiary of the old ABLE account.

- A rollover from one ABLE account to another qualified ABLE account for the same beneficiary can only occur once every 12 months.

- Make sure you use black ink to type or print clearly in capital letters and do not staple the pages together.

By signing this, you’re agreeing to these statements:

• I confirm that I received, understand, consent, and agree to all the terms and conditions of the Maryland ABLE Program Disclosure Booklet as they relate to this rollover request.

• If I am making a direct rollover, I authorize the old ABLE account Program Manager, or its designee, to roll over assets into the Maryland ABLE account according to these instructions.

• If I’m an Authorized Legal Representative, I certify that I am authorized to act on behalf of the Beneficiary in making this request.

• I certify that the old ABLE account has been closed or that I have assurances I consider adequate from the old ABLE program that it will close the old ABLE account within 60 days of the date the rollover amount was or is withdrawn from such account. I understand that it is my responsibility to ensure that the old ABLE account is closed within such 60 day period.

• I understand that I cannot make additional contributions when the fair market value of my ABLE account exceeds $500,000.

• I understand that if this is an indirect rollover, the Authorized Legal Representative or Beneficiary of the account from which assets are being withdrawn is responsible for providing the Maryland ABLE program with a statement that certifies the breakdown of the assets transferred. In addition, if no current year contribution amount is reported on this form, all principal will be treated as prior-year contributions. I further understand that until such statement is provided, the Maryland ABLE program will treat the entire transfer as earnings for tax purposes.

• I understand that a rollover that doesn’t meet all of the above conditions may result in the earnings portion of the deposit being considered a non-qualified withdrawal subject to federal income tax and an additional 10% federal tax, and may be subject to state or local income tax.

• I understand that if my old ABLE account is not closed within 60 days of the withdrawal for this rollover my Maryland ABLE account will not be treated as a qualified ABLE account, which may result in adverse tax consequences and/or adverse consequences under means-tested federal and/or state benefits programs.

• I certify that the above is, to the best of my knowledge, accurate data regarding the rollover of all old ABLE program assets into the new Maryland ABLE program referenced account. I further certify that I have signing authority over both of these ABLE program accounts.
